

A/C PERFORMANCE INSPECTION

Summer is here—beat the heat with our A/C Performance Inspection!

INCLUDES:

- ▶ Visual Inspection
- ▶ Pressure and System Operation Test
- ▶ Cabin Air Filter Replacement

\$179
+ tax

(Freon not included)

Our certified technicians can pinpoint the root cause of HVAC problems. We use standard repair practices, have the latest diagnostic tools and equipment, and have the expertise to make correct AC repairs the first time. Can air-conditioning impact over-the-road performance? It can! And that's just one concept behind International Performance AC.

Offer expires September 30, 2023

Call us today to schedule your truck, or come by your nearest Peterson Trucks location.
